## #415G OFF-LINE CONTACT CLEANER

**DESCRIPTION:** An effective electronics and parts cleaner for grease, oil, wax, dirt, and moisture. Evaporates quickly, leaving no film, and does not attack coatings, paints, or construction of base material. Low surface tension penetrates easily and eliminates need for disassembly of component parts. For use in manufacturing facilities.

**APPLICATION:** Restores original electronic values and constants. Use on the production line and in service maintenance where the highest purity is required from an industrial cleaner and degreaser. An excellent water or moisture displacer. **DO NOT USE ON HOT SURFACES.**

**DIRECTIONS:** Use in well ventilated area. Test small area first to assure compatibility on painted surfaces or specialty rubber, plastics, and laminates. No rinsing or wiping needed, dries in less than 2 minutes. Allow up to 5 minutes for full vapor evaporation in areas of restricted air circulation before energizing circuit. **DO NOT USE ON ELECTRICAL EQUIPMENT OR MACHINERY WHILE IN OPERATION.**

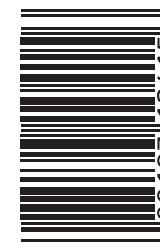

**DANGER!** Keep away from heat, spark or open flame. Avoid prolonged overexposure to sunlight or heat, which may cause bursting. Do not burn, incinerate or store above 120°F (49°C). May cause flash fire. Avoid continuous breathing of vapors and mist. Use with adequate ventilation. If you experience eye watering, headaches, nausea or dizziness, increase fresh airflow and/or wear respiratory protection (NIOSH/MSHA TC 23C or equivalent). **FIRST AID:** If swallowed, do not induce vomiting. Call physician immediately. If eye contact occurs, flush eyes with plenty of water for 15 minutes. For skin contact, wash thoroughly with soap and water. In either case, if irritation persists, see physician immediately. **NOTICE:** Reports have associated repeated and prolonged occupational overexposure to solvents with permanent brain and nervous system damage. Intentional misuse by deliberately concentrating and inhaling the contents may be harmful or fatal.

**WARNING:** Cancer and Reproductive Harm - [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov).

**HAZARDOUS CONTENTS:** Hexane 110-54-3, Ethanol 64-17-5, Isopropanol 67-63-0.

**DANGER!** Highly flammable liquid and vapour. May be fatal if swallowed and enters airways. Suspected of damaging fertility or the unborn child. Causes skin irritation. Causes serious eye irritation. May cause drowsiness and dizziness. Toxic to aquatic life with long lasting effects. May cause damage to nervous system through prolonged or repeated exposure (inhalation).

**KEEP AWAY FROM CHILDREN**
