**#591G LOW VOC BRAKE & PARTS CLEANER**

**DESCRIPTION:** Industrial grade cleaning performance that meets all California Air Resources Board (CARB) VOC requirements of less than 10% VOCs. Quickly dissolves brake fluid, dust, and oil from brake related parts, bearings, gears and other equipment found on industrial commercial and utility vehicles and equipment.

**APPLICATION:** Speed up inspection and repair of brake linings, disk brake pads, drums, cylinders, springs and other related brake parts. Tool clean up is easily accomplished at the same time.

**DIRECTIONS:** Dip parts in solution as required. Apply with stiff brush in heavily corroded areas. Test small areas of plastic or rubber for material compatibility. Protect rubber parts from excessive contact.

**DANGER!** Keep away from heat, spark or open flame. Do not use on hot surfaces, energized equipment or open electrical connections. Avoid prolonged overexposure to sunlight or heat, which may cause bursting. Do not burn, incinerate or store above 120°F (49°C). May cause flash fire.

**VAPOR HARMFUL.** Avoid continuous breathing of vapors and mist. Use with adequate ventilation. If you experience eye watering, headaches, nausea or dizziness, increase fresh airflow and/or wear respiratory protection (NIOSH/MSHA TC 23C or equivalent). **AVOID CONTACT WITH SKIN AND EYES.**

**FIRST AID:** If swallowed, do not induce vomiting. Call physician immediately. If eye contact occurs, flush eyes with plenty of water for 15 minutes. For skin contact, wash thoroughly with soap and water. In either case, if irritation persists, see physician immediately. **NOTICE:** Reports have associated repeated and prolonged occupational overexposure to solvents with permanent brain and nervous system damage. Intentional misuse by deliberately concentrating and inhaling the contents may be harmful or fatal.

**WARNING:** Cancer and Reproductive Harm – [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov).

**HAZARDOUS CONTENTS:** Aliphatic Petroleum Distillates 64742-89-8, Acetone 67-64-1, Isopropanol 67-63-0.

**DANGER!** Highly flammable liquid and vapor. May be fatal if swallowed and enters airways. May cause genetic defects. May cause cancer. Causes serious eye irritation. May cause drowsiness or dizziness.

**KEEP AWAY FROM CHILDREN**
