#592G BRAKE & PARTS CLEANER

DESCRIPTION: Industrial grade cleaning performance. Quickly dissolves brake fluid, dust, and oil from brake related parts, bearings, gears, and other equipment found on industrial, commercial, and utility vehicles and equipment. Not for sale in California.

APPLICATION: Speed up inspection and repair of brake linings, disk brake pads, drums, cylinders, springs, and other related brake parts. Tool clean-up is easily accomplished at the same time.

DIRECTIONS: Dip parts in solution as required. Apply with stiff brush in heavily corroded areas. Test a small area of plastic or rubber for material compatibility. Protect painted and other surfaces from excessive contact. **DO NOT USE ON ELECTRICAL EQUIPMENT OR MACHINERY WHILE IN OPERATION.**

DANGER! Keep away from heat, spark or open flame. Do not use on hot surfaces, energized equipment, or open electrical connections. Avoid prolonged overexposure to sunlight or heat, which may cause bursting. Do not burn, incinerate or store above 120°F (49°C). May cause flash fire. Avoid continuous breathing of vapors and mist. Use with adequate ventilation. If you experience eye watering, headaches, nausea or dizziness, increase fresh airflow and/or wear respiratory protection (NIOSH/MSHA TC 23C or equivalent). **AVOID CONTACT WITH SKIN. FIRST AID:** If swallowed, do not induce vomiting. Call physician immediately. If eye contact occurs, flush eyes with plenty of water for 15 minutes. For skin contact, wash thoroughly with soap and water. In either case, if irritation persists, see physician immediately. **NOTICE:** Reports have associated repeated and prolonged occupational overexposure to solvents with permanent brain and nervous system damage. Intentional misuse by deliberately concentrating and inhaling the contents may be harmful or fatal.

WARNING: Cancer and Reproductive Harm – www.P65Warnings.ca.gov.

HAZARDOUS CONTENTS: Aliphatic Petroleum Distillates 64742-89-8, Acetone 67-64-1.

DANGER! Highly flammable liquid and vapor. May be fatal if swallowed and enters airways. May cause genetic defects. May cause cancer. Causes serious eye irritation. May cause drowsiness or dizziness.

KEEP AWAY FROM CHILDREN
