

REDO IT

LIKE IT WASN'T EVEN THERE

Cover unsightly marks or prepare surface for new striping in one step.

Bring new life and color uniformity to aged asphalt and concrete.

#830
Concrete colored paint matches the color and texture of most sidewalks. May also be applied vertically to walls.

#831
Asphalt-based paint matches the color and texture of most asphalt surfaces.

- Excellent resistance to weather, traffic and oil
- Inverted application
- Use Aervoe #745 Striping Stick, #800 Vers-A-Striper® or apply by hand
